sipiu

Universally
Integrated Industrial
Precast System

the next evolution

exact and fast
greater tolerance
assembling freedom
time saving benefit
dry connections

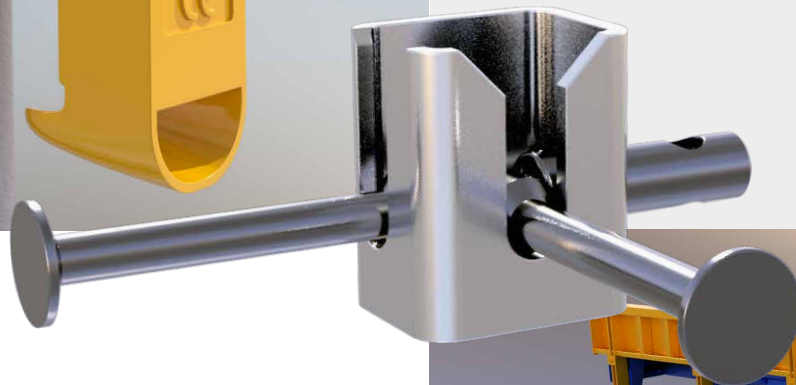

BIANCHI
TECHNOLOGY FOR PRECAST

CE ready
greater strength
easy and intuitive
all combinations
D.I.Y. joints

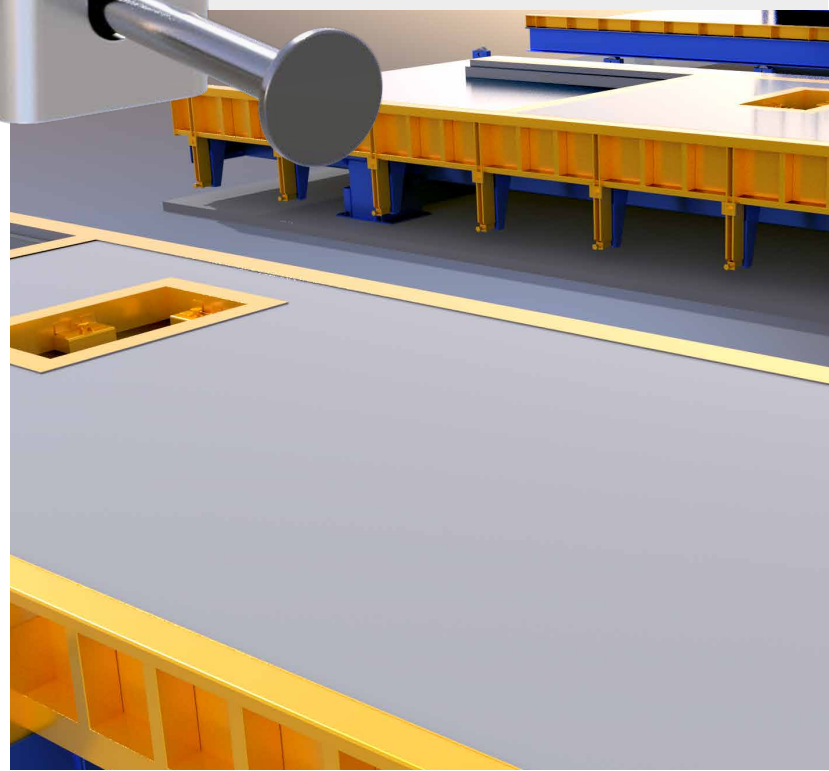

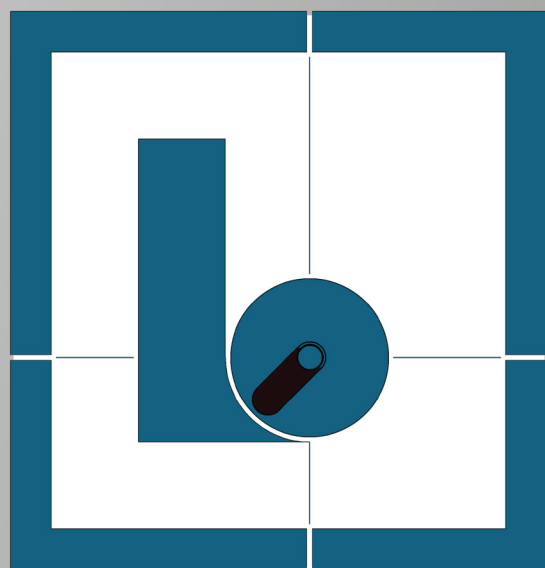

safe and stable
wide customizable
reduced transport volumes
anti-seismic applicable
dry assemble

fire resistant
simple and rational
lower environmental impact
suitable for all moulds
tailor made

all projects One system
